

Alberta Ukrainian Dance Association
Extra-Ordinary Need Financial Assistance Application Form

AUDA strives to preserve Ukrainian dance education within our communities. We understand that the cost for dance fees and attire can be stressful in times of need. To ensure that families and dancers who are passionate about our culture can maintain their participation within the dance school/club, we are offering support to cover in-part the cost of dance fees and/or footwear. This is one-time only financial assistance. The total budget for this initiative is \$2,000 and each award of financial assistance will not exceed \$500. Awards will be made in the form of a donation to your dance association.

There are two deadlines for submission:

March 31st 2017 and October 15th 2017

This application can be submitted for dancers between the ages of 7 and 17.

Please submit a receipt for all dance fees and/or dance footwear with this form.

Please have this formed signed and dated by your dance club/school treasurer or president.

1. How will financial assistance from AUDA benefit you and your family needs at this time?

2. What will you specifically use this grant for?

3. How long has your child(ren) been involved in Ukrainian dance?

Name of family submitter: _____

Address of submitter: _____
