

AUDA Summer Digital Workshop Program In Response to COVID-19

As the 2019-2020 Dance School Year was cut short by the events surrounding COVID-19, many dance schools are offering alternatives over the summer to engage their students and to prepare for when public health orders will once again allow classes to resume.

As part of our commitment to be responsive to the changing needs of the Ukrainian Dance community, AUDA has committed to provide for up to 20 member organizations, \$150 per organization to support online options for dance camps and dance workshops over the summer months.

1. There is no template application form. AUDA member organizations will submit their 1-page request for support indicating date, instructor, and intended audience, by **June 30, 2020**.
2. Proposals will be juried by a panel of AUDA Board members and AUDA general members.
3. Recognition Requirement: AUDA requires that each Workshop acknowledge and credit sponsors as follows:
AUDA Summer Digital Workshop Program in co-operation with (Name of your community club or organization.) and with thanks to the Alberta Foundation for the Arts, the Edmonton Arts Council, and Alberta Lotteries.
Approved copies of logos will be provided for any printed materials.
4. Successful recipients will need to submit a report on conclusion of the workshop confirming the date, the instructor, and the number of attendees.
