

## Community Workshop Initiative

The objective of AUDA's Ukrainian Dance Workshop Program is to engage with Alberta's Ukrainian Dance community to advance the caliber of dance. As part of our commitment to be responsive to the changing needs of the Ukrainian Dance community AUDA has committed to provide support to create workshops that follow COVID-19 protocols throughout the year.

The method by which AUDA invests in providing the Workshop Program is based upon directives determined by our granting agencies. AUDA is required to show a revenue line item for our undertakings. Successful applicants will agree to a predefined revenue sharing protocol.

### Revenue Sharing Protocol

Successful applicant community clubs or society that advance Ukrainian dance will pay AUDA \$25 to \$50 per Workshop participant (this Workshop participant fee amount is determined by your community club or society) with one society cheque either just before or within one week of the Workshop being completed.

AUDA will in turn issue your club or society a cheque equal to the total of the cheque you sent us based upon Workshop participant fees, plus **\$1,000 honorarium** for delivering our Workshop Program upon receipt of a Workshop Delivery Final Report. The Report will list the names of the Workshop participants, the location of the Workshop, an expense report, and a brief 100-word narrative on the goals achieved by the Workshop.

### Application
